

New porcelain collections 2017 *preview*

The logo for Future Ceramics is located in the bottom center of the page. It consists of a black square background. On the left side of the square, there is a stylized graphic element resembling a ceramic tile or a drop shape, colored in yellow and blue. To the right of this graphic, the words "FUTURE" and "CERAMICS" are stacked vertically in a bold, white, sans-serif font.

MILANO _____

Milano

If you think about Design there's no place better than Milano to represent it at its highest degree: the whole town lives around a concept of subtle elegance and quintessential style. Even the material, Cement, and the shades (White, Grey, Beige, Dark Greige, Anthracite) of this new collection remind us of the Milanese atmospheres and fashion trends. Available in three sizes, it contributes to enhance the look of both private and public spaces.

BOURGOGNE

Bourgogne

The natural limestone of the charming French region is the inspiration for this new Future Ceramics collection. A unique material appreciated since centuries that recalls atmosphere and warmth through a variety of tones. Its beautiful patterns are available in four subtle, really elegant colors: Beige, Light Beige, Greige and Dark Greige. Two sizes and a good versatility guarantee a perfect result both on interiors and exteriors.
